October 8, 2019

*legitimize
the abortion.*

We are complicit.

We THE people elect THE leaders that make THE laws that
legitimize THE ABORTION.

**LAWS that legitimize ABORTION, euthanasia, assisted suicide, and
capital punishment are profoundly unjust and wrong.**

October is RESPECT LIFE month; this is a time for reflection,
awareness, and action.

**We are called through our faith to DEFEND and PROTECT those
who are most vulnerable.**

We can do this by being aware of and PREVENTING laws that
threaten human life.

The next TN Legislative Session begins Jan. 8, 2020. Then and
throughout the Session, we will keep you informed via this
publication. You can also go to tncppc.org and click on **Crucial
Legislation**. Social Issues in red are buttons that link you to laws in
the making, their ethical and moral impact, and actions we should
take.
