

There is strength in numbers.

VOTE as if a life depends on it.

It does.

An elected official can **MAKE** or **BREAK** the lives of many.

So, **KNOW** the issues.

KNOW the candidates' position on the issues.

And, **VOTE** as if a life depends on it...because it does.

The **ISSUES**:

Medicaid Expansion.

Throughout this pandemic, thousands of Tennesseans are working to keep our communities healthy, safe, and fed.

Are there any casualties?

- > More than 300 infections at Tyson in Goodlettsville
- > Over 70 infections at Monterey Mushroom in Loudon County
- > Nearly 200 workers at a Rhea County farm have COVID19

The numbers continue to grow, and many of these front line workers don't have health coverage.

We need Medicaid expansion. Thirty-six states have **EXPANDED**. Why not Tennessee?

Abortion.

Where does your candidate stand on abortion?

Mental Illness.

It's a disease, not a choice. Where does your candidate stand on the issue of the death penalty for the mentally ill?

Police reform and racial justice.

USCCB has called for police reform and racial justice. Where does your candidate stand?

Checkout the candidates' facebook, website, and mailers.

Do they address the issues or dance around them?

FIND OUT and **VOTE** as if a life depends on it.
