There is strength in numbers.

America claimed
its independence in 1776.

But, it was 1919 before women were
GRANTED the right to vote.

The 15th Amendment GRANTED Black men
the right to vote in 1870.

But, it was 1965 before the Voting Rights Act
banned ALL attempts to deprive them of this right.

Today, ALL citizens of any gender or color, can vote.

But, sadly only HALF show up.*

*"Your vote is precious,
almost sacred. It is the
most powerful nonviolent
tool we have to create a
more perfect union."
— John Lewis*

Tuesday, November 3, 2020 is Election Day.

The Hard Questions

Proverbs 31:9

Where do the candidates stand on: abortions, death penalty, religious
freedom, immigration, or the expansion of medicaid?

Do they line up with OUR teachings?

*"...the value of democracy
stands or falls with the
values which it embodies
and promotes."
— Pope Francis*
