*We the people...
elect the leaders
that make the laws
that legitimize
the **execution.***

October is Respect Life Month.

Sounds Catholic. What's that mean?

Well, it begins with a commitment never to intentionally kill...

Easy. Check that one off.

AND, never to collude in the killing of any innocent human life, no matter how broken, unformed, disabled, or desperate that life may seem.

Check. And Double Check. That it?

ONE more: Be aware of and promote laws that protect human life and uphold human dignity to the maximum degree possible. Laws that legitimize abortion, euthanasia, assisted suicide, and capital punishment are profoundly unjust and wrong.

We are called to cherish, defend, and protect those who are most vulnerable, from the beginning of life to its end.

Pope John Paul II has taught, that inflicting the penalty of death is cruel and unnecessary. The antidote to violence is not more violence.
