April 13, 2019

2 BIG Wins!

School Choice Bill passed through the **Senate Education Committee** and the **House Finance, Ways, and Means Subcommittee**.

But, we're not finished. It could still...

There are a lot of bills. Which one is this?

The Education Savings Account Bill: HB0939 / SB0795 allows parents to use THEIR education tax dollars to customize their children's education—even if outside of district lines. **THIS WEEK** the bill passed through the Senate Education Committee and the House Finance, Ways, and Means Subcommittee.

It is on a fast track through the Legislature.

NOW, the Bill must go through the Senate Finance, Ways, and Means Committee **on Tuesday, Apr.16**. AND the House Finance, Ways, and Means Committee on **Wednesday, Apr.17**.

NO, those weren't typos. Both the Senate and the House of Representatives have a Finance, Ways, and Means Committee. In fact, the House of Reps also has a Finance, Ways, and Means Subcommittee.
