ActionAlert / NEWS on Crucial Legislation

March 7, 2020

STOP executing people who are severely mentally ill.

Bill HB1455/SB1124 is vital legislation that prevents an individual with severe mental illnesses from being executed in TN. This bill would save enormous resources that could be spent on mental health treatment, law enforcement, and victims' support.

Call or write your Representative before Wednesday, March 11, IF they are on the Judiciary Committee List below.

IT'S EASY! If your Representative is listed below, select the red button. It will take you our website where you can quickly and easily find your Legislator, customize a pre-written-suggested email, and send it.
