*We the people...  
legitimize  
the euthanasia.*

**It's disturbing. It's convicting.**

We **THE** people elect **THE** leaders that make **THE** laws that  
legitimize **THE** Euthanasia.

**LAWS** that legitimize **EUTHANASIA**, abortion, assisted suicide, and  
capital punishment are profoundly unjust and wrong.

October is **RESPECT LIFE** month; this is a time for reflection,  
awareness, and action.

**We are called through our faith to DEFEND and PROTECT those  
who are most vulnerable.**

We do this by being aware of and **PREVENTING** laws that threaten  
human life.

**The next TN Legislative Session begins Jan. 8, 2020.** Then and  
throughout the Session, we will keep you informed via this  
publication. You can also go to [tncppc.org](http://tncppc.org) and click on **Crucial  
Legislation**. Social Issues in **red** are buttons that link you to laws in  
the making, their ethical and moral impact, and actions we should  
take.
